When I arrived at Kellogg Institute in August 1983 Father Ernie Bartell was one of the first people to receive me with friendship and affection. During the whole year I spent at the Institute Ernie was always a leading institutional builder (in partnership with Guillermo O'Donnell) and a very active and wise participant in the seminars. Last time I talked with him at Kellogg, in April 2015, He continuous being intellectually challenging and inspiring. I wish long life and all the best for Ernie.

Warmly,

Eduardo Viola
