Dear Bob:

It was 1957 when we met at ND, while you were our "Capellán" of the LA RAZA Club.

Your continuous support to all Latin students and all matters related to Latin America is highly appreciated by all (specially "latinos") that have known you.

I have had the privileged of seen you often since my ND years ('61) in Panamá, Puerto Rico and on Campus.

Sorry, I can't be present at the Celebratory Dinner, since Carol and I will be in Ecuador (Galapagos) on a long ago planned trip.

Wishing you the best.
