

**SCOTT MAINWARING**

Jorge Paulo Lemann Professor  
for Brazil Studies

March 28, 2017

I have had the great fortune to know Father Bob since I started at Notre Dame in 1983. In ways that I deeply admire, he has always demonstrated an unswerving commitment to Holy Cross and Notre Dame, to social justice issues, to Latin America, and to connecting the US and Latin American Church. In his everyday interactions, he has always been kind and generous. He is an exemplary priest and human being.
